

**Alpine Academy
Financial Assistance Request**

The Alpine Academy Financial Assistance Program is designed to help as many families as possible with tuition assistance. The program is strictly based on financial need, and there is limited financial assistance available each year. Applicants must fill out the Financial Assistance Request form as well as provide a **copy** of the previous year's Federal Income Tax Form. Aid will be based on the information given on these forms. Amounts of financial assistance range from \$400 to \$600 per student per year based on taxable income levels of \$45,000.00 or less as reported on tax forms. **Families granted assistance are required to provide volunteer support to the school.** Assistance is granted for a single year. Any future assistance would require resubmitting a request.
