

## Ways to Reduce Tuition

1. We have a \$200 finder's fee for each new student our family brings into our school. For every new qualified student that enrolls in our school, we will automatically reduce your tuition by giving you an immediate \$200 credit. They may not be members of your immediate family (siblings) since any child over one in a family already receives a discount. The new student must stay enrolled for at least 9 months, and their tuition must be kept up to date. Should they not meet these stipulations, you will be back-charged \$200.00 per student. We reserve the right to qualify students according to appropriate grade placement and testing, if needed.

2. A multiple student discount may be given where a family has more than one child enrolled. The 2nd, student 10% off, 3rd and 4th students 50% off.

3. Become an active member of Alpine Lutheran Church.
